LEGISLATURE.

Representative Gilbert Says He Was
Offered \$1,500 Job to Support
Crowd.

Frankfort, Ky., Jan. 7.—The administration forces won every contest in both the senate and house caucuses here today. Robert T. Crowe, of Lagrange, was nominated speaker by a vote of thirty-three to twenty-seven over Claude Thomas, of Paris. The victory of the administration was a foregone conclusion from the time Judge H. C. Rice, of Richmond, was made caucus chairman by a vote of thirty-six to twenty-four.

The sensation of the meeting was the charge of Representative M. E. Gilbert, of Paducah, that he was approached and offered a \$1,500 state job to cast his support to the side of the administration. He made the statement while placing Claude Thomas in nomination for speaker, but refused to give names and said the job was to have been to represent the tax commission in legal matters.

Grand Jury To Probe.

There was a further sensation tonight when it was announced that Representative Gilbert would be summoned before the Franklin county grand jury tomorrow and forced to tell of the alleged effort to bribe him. He charged in his speech that representatives were kidnapped by the supporters of Crowe for speaker as they left the trains. He suggested that habeas corpus proceedings be taken to force their appearance at the caucus.

Berry Chief Clerk.

Ell Herry, of Owensboro, and Oscar Wicker, of Marion, were nominated for chief clerk of the house and assistant respectively. W. J. Kuhl, of Louisville, was made doorkeeper. J. B. Morris, of Anderson, beat G. L. Hammon, of Frankfort, for sergeant at arms. H. H. Spillman, won for janitor. W. B. Hill, of Marion, and Gardner Ray, of Louisville, were made cloak room keepers. Robert Minor, of Boyle, E. J. Kelly, of Covington, Oscar Rowland, of Cynthiana, and Cuth Craig were named pages.

In the Senate.

In the Senate, after Gates Young, of Owensboro, was made permanent secretary of the caucus, Thomas A. Combs, of Lexington, was nominated for president pro-tem without opposition.

W. B. O'Connell, of Campbell, beat Haskell Miller, of Metcalf, for chief clerkship. J. R. Catlett, of Princeton, was named assistant clerk. Miss Jennie McDonald was made enrolling clerk. Jeff Bowman won for sergeant-at-arms. Clay Lemons, of Graves county, was made doorkeeper. Frank Jones, of Barren, captured the janitorship. Herbert Lykins, of Morgan, was made cloakroom keeper. Gilbert Whittinghill, of Louisville, W. A. Rogers, Jr., and Julian Leach, of Scott were named pages.

Another surprise in the house caucus was that Representatives Murphy and Knollman, of Kenton, and Hill and Thornton, of Campbell, did not support the administration.

STATE TAX AGENT

Holds Council With County Officials
And Plans Work.

Henry James, agent for the State Tax Commission, held a council with Assessor Hines and other county officials here Saturday and an agreement was reached to give the Assessor until tomorrow to empty deputies and arrange for completing the assessment. Twelve precincts have been assessed and four others partially taken, which leaves eighteen entire precincts yet to be taken. Mr. James will return here tomorrow, and in the meantime if Mr. Hines has made definite and satisfactory arrangements to do the work he will be

A BATTLE ON THE HOME FRONT

U. S. WAR MACHINE WELL UNDER WAY

AUSTRIAN BREAK MAKES BUT
LITTLE DIFFERENCE TO
UNCLE SAM.

Washington, Jan. 5.—The pushed through both branches of Congress and subsequently signed and made law in quicker time than any similar bill for several years, the Austrian war resolution required very little debate or adjustment because it was the first time the United States has declared war and had been practically prepared.

When the United States declared war upon Germany, the government naturally was required to study the problem from all sides because of the enormous work necessary to raise an army and otherwise place the country on a war basis.

Machine Under Way.

Now, after several months' preparation and work, the war machine of the country is well under way and prepared in practically all ways for the war with Austria.

The addition of Austria to the enemies of the United States will make little or no difference in the manner in which the war will be carried on, because even before President Wilson recommended the declaration, Austria was allied with Germany and naturally against the United States. The only problem to confront the members of Congress and the President in making the resolution law was the alien enemy question.

This matter is more serious even than the similar question which arose when war was declared upon Germany. Germans who came to this country before the war did so merely to use their respective trades and professions to better advantage and to have a larger field.

Were Skilled Workmen.

Practically all Germans in the United States at the outbreak of the war were skilled workmen or professionals. Each was expert in his particular line, but the entire German population here represented no particular class.

The case of the Austrians and Hungarians in the United States at present is decidedly different because they belong entirely to the laboring class. Dissatisfaction arising among these people over the administration of the alien enemy laws would result disastrously to several industries and particularly to mining.

WILL PROBATED.

The will of J. O. Renfrow, deceased, was probated in County Court Monday. Mr. Renfrow, who was a bachelor, left the bulk of his estate, consisting of both real and personal property to his sister, Miss Bettie Renfrow. Miss Bettie is made executrix of the will. Mr. Renfrow and his brother William had always lived together and had a full partnership in all their property. Miss Bettie had also lived with them.

DRAFT LAW IS ADJUDGED VALID

CONSTITUTIONALITY OF ACT
UPHELD BY U. S. SUPREME
COURT.

Washington, Jan. 7.—Every contention raised against the selective draft act was swept aside by the Supreme Court to-day in an unanimous opinion delivered by Chief Justice White, upholding the law as constitutional. Authority to enact the statute and to send forces to fight the enemy wherever he may be found, the court held, lies in the clauses of the Constitution giving Congress the power to declare war and to raise and support armies.

"As the mind can not conceive an army without the men to compose it," said the chief justice, "on the face of the constitution the objection that it does not give power to provide for such men would seem to be too frivolous for further notice."

The opinion then proceeded to take up and definitely dispose of each of the many questions raised by counsel for the convicted persons whose appeals brought the law before the court.

No action was taken by the court in the several pending cases involving charges of conspiracy to prevent the carrying out the purpose of the law. It is thought, however, which include the names of J. P. and Berkman, Edward Galt, Louis Kramer and Joseph P. Keown, convicted in New York, may be made the subject of a separate opinion.

BOARD OF EXAMINERS.

County School Superintendent E. S. Howard announces he will appoint Mrs. I. S. Mason, of Beaver Dam, and Mrs. Ollie Duff, of Tristler, on his county board of examiners. Mr. Howard has, we think, exercised good judgment in the selection of the members of this board. Mrs. Mason is well known in Ohio county school work and was a candidate for the Republican nomination for County Superintendent before the primary last August. Mrs. Mason secured a certificate from the State Board of Education of her qualification for County Superintendent. Mrs. Duff, formerly Miss Irene Whittinghill, has held a State certificate, and has taught for many years in Ohio county schools. In educational qualifications and in temperamental fitness these ladies are well fitted for the duties before them, and the Superintendent's action in appointing them will meet with popular approval.

BOARD OF SUPERVISORS.

Judge Cook at his first term of County Court Monday appointed the following board of supervisors to supervise the tax lists for Ohio county: Nat Lindley, of Point Pleasant; J. E. Mitchell, of Dundee, and C. I. Maxey, of Hartford. These are all men of high standing and successful farmers, and may be trusted to adjust tax values with justice and dis-

cretion. This board formerly consisted of five members, but was reduced to three in the new tax bill. The number should have been increased to one member for each judicial district. The board formerly met the first Monday in January, but under the new law it will not meet until the first Monday in March.

COMMON SCHOOL GRADUATES.

Superintendent Howard announces that examinations will be held, January 23 and 24, for applicants to certificates as common school graduates. Examinations will be held on these dates at Beaver Dam, Fordsville and Hartford. Mrs. I. S. Mason will direct the examination at Beaver Dam, Mrs. Ollie Duff will supervise the examination at Fordsville and Superintendent Howard will hold the one at Hartford. The Superintendent will be pleased to have the teachers of the county prepare as many of their pupils as practical for these examinations. While those wholly unfit should not be encouraged to enter the examination, all pupils with a reasonable expectancy of passing should be urged to do so.

CAPT. ARNOLD ON LEAVE.

Capt. George J. Arnold, passenger conductor on the Owensboro branch of the Illinois Central railroad, has been off duty for several weeks on account of an aggravated catarrhal trouble, and is in Owensboro under treatment of physicians. He will probably not be able to resume the train service before fair weather next spring.

Capt. Arnold is very popular with the traveling public and his friends will hear with regret of the unfortunate illness that will keep him so long out of the service, and will hope for his speedy and permanent recovery.

MRS. DELLA MOSELEY DEAD.

Mrs. Della Mosley died at her home near the county infirmary Tuesday. Funeral services were conducted by Rev. A. D. Litchfield Wednesday, after which the burial was in Oakwood cemetery here. Mrs. Mosley was the widow of the late John Sep Mosley, a former deputy sheriff of this county.

JOHN SEP MOSELEY.

When S. O. Keown retired from the Sheriff's office Monday he left behind him a record for efficiency, and fair treatment of the people that has never been excelled by a sheriff of Ohio county.

Mr. Keown came into office after eight years of experience in sheriff's work, having had two years work under his brother, Sheriff Cal P. Keown, and was chief deputy for four years under Sheriff Tom Black. Mr. Keown entered office with liberal experience as a qualification for the work, and with the largest majority given to any candidate on the ticket as a stimulant to maintain the good will of the people, and retires from office with a fine record and the continued good will of the public.

Mr. Keown received his quibus from the State Auditor the first of December, his receipt being No. 29, or ahead of one hundred other sheriffs of the State. During his term of office his was twice the 45th county to settle with the Auditor, once the 70th and last year the 20th. Mr. Keown was sheriff during the troubled days of possum hunter's prosecutions, and had to make more arrests than commonly falls to the lot of a sheriff, but did his work in such a fair and pleasant way that he incurred no enmities. Throughout his term he performed his duties, both as a collector of taxes and as a peace officer, in such a manner that he had no difficulties and aroused no prejudices, and now leaves the office with the confidence and good will of the people he so faithfully served.

GERMANY MAY HAVE INTERNAL TROUBLES

POLITICAL CHAOS FOR THE
EMPEROR MAY BE NEAR
AT HAND.

The political crisis in Germany has not yet reached its most dangerous stage, according to reports from neutral capitals. It is reported that General von Ludendorff, as leader of the militarist group, threatened the resignation of himself and Field Marshal von Hindenburg should the government continue to support Foreign Secretary von Kuchin's peace plans. The German Social Democrats have adopted a resolution again declaring that the honest recognition of the Democratic principle of the right of self-determination in occupied territories only can bring a lasting peace.

In London it is felt that the central powers will be compelled to make full answer to Premier Lloyd George's statement of war aims, which apparently has brought about better feeling in Great Britain.

President Wilson and Premier Clemenceau have congratulated the British leader on his statement.

German newspapers, in their comment, expressed disbelief in the sincerity of the British Premier's words.

Russia's Position.

Russia apparently will continue peace negotiations with the central powers at Brest-Litovsk. A Berlin dispatch received in Copenhagen says that Russia's representatives arrived at Brest-Litovsk Monday, and that the negotiations were to be reopened yesterday afternoon. Foreign Minister Trotzky accompanied the delegation.

Official confirmation of this report is lacking, but probability is lent to it by the fact that neither Russia nor the central powers has declared officially that the peace negotiations have been broken off definitely. Germany suspended the negotiations temporarily late last week, because it could not meet the Russian request that the conference be transferred to Stockholm.

CHUMLEY-JOHNSON NUPTIALS.

Mr. M. F. Chumley, of Simmons, and Miss Nettie Johnson, of McHenry, were married in the parlors of the Willard Hotel in Louisville Sunday morning, January 6, Rev. A. A. Stanley officiating.

Mr. Chumley holds an important position with the Broadway Coal Company, and is well known in the county, having entered the race for the Republican nomination for County Court Clerk but withdrew before the primary, last year.

Miss Johnson is the daughter of Mr. and Mrs. Byron Johnson, of McHenry, and is a well known Ohio county teacher. She is now teaching in the Central Park Graded School at McHenry. With the expiration of the McHenry school Mr. and Mrs. Chumley will be at home at Simmons. The Republican extends hearty congratulations, and wishes for the happy couple a long and pleasant journey on the matrimonial sea.

DETAINING A WOMAN.

The case of James Shults, charged with detaining a woman against her will, was called in County Court Monday and case continued on the account of absent witnesses. Melvina Withers is the complaining witness. The parties live at Williams Mines. The defendant will probably admit having approached the woman but will deny that he committed any act that could be construed as detention.

THE WILD DOG HELD.

Wiley Frizzel, the wild dog boy wanderer, mentioned in these columns last week, was brought out for trial Saturday, but on account of absent witnesses his case was continued to January 15. The boy was remanded to jail pending trial. Final disposition of his case will depend upon establishing his age. If it is found that he is under 18 years of age he will probably be sent to the State reform school at Greenfield. On account of the immaturity of the boy's mind it is to be hoped that means may be found to send him there rather than to the reformatory at Frankfort.

FRIDAY, MAY 10, 1919

FRIDAY, MAY 10, 1919

The Legislature met today for the first time since the adjournment of the last session. It has not come anything new but so far.

Governor Stanley has not surrendered to the army forces. He has appropriated them.

The fellow who likes a good warm political scrap is asked to just be patient till this war is over.

The war tax on liquor will cause many a man to ride the new year's water wagon a few days longer than usual.

Anyway there is some consolation to the careless housewife in the color of war bread. It won't show the fly specks.

The Stanley forces can now Crowe over the Beckham followers in the lower house of the Kentucky Legislature.

The Stanley dyes knocked out in the first round the Beckham dyes in organizing both branches of the Legislature.

Secretary of the Treasury and Director of the railroads are both big jobs, but they are kept snugly in the family.

Postage stamps become thick stamps when a dun sent to a delinquent subscriber is responded to with a check.

Government control of railroads and price fixing of food products may become troublesome precedents after the war is over.

Throughout all the severe weather so far snow has protected the wheat, and already much improvement in that crop is noted.

Judge Cook says he did not have any trials at his first term of court Monday but that behind a good many troubles and tribulations.

We are anxious for an early peace with Germany just to hurry the day when the bloody Hun will tear the vitals out of perdition Russia.

A number of new faces are to be seen in the county offices since Monday. While we would not enter any of them in a heavy contest, yet it is a bunch of jolly good fellows despite their faces.

Andrew Carnegie announced twenty years ago that it was a crime to die rich, and began a wholesale business of giving his money away. But Uncle Andy is now past eighty, and is still very, very rich.

The new Mayor's reference to street lighting is not very lucid, but if it is a hint at discontinuing this indispensable service we want to protest against turning backward the hands on the dial plate of progress.

It is announced that an Englishman who won a mammoth is about to be appointed to some sort of a mission to this country. No, aunt Jane, a mammoth is not something to ride in; it is just a pair of specks with half of them broken off.

We regret it is just complaint to say of the nothing County Judge and Superintendent of Schools that they have made an honest effort to render a useful public service, and that they deserve the thanks of the people they tried so diligently to serve.

The Democratic struggle over the election of the speaker of the lower house of the Kentucky Legislature in which it was charged that votes were bought with state pay-

ronage on one side and with federal patronage on the other, will add a few thousand votes to Ed Morrow's majority next year.

A perplexed and wearied wife said to her husband one evening, after having put their eight-year-old hopeful to bed: "My dear, you will have to help me with that boy. His inquiring mind knows no bounds. Suppose you take your turn in answering some of his questions."

"Most assuredly," briskly answered the husband. "That's easy enough my dear. Just what questions is he asking?"

"Well," replied the weary wife, with a twinkle in her eye, "he asked, for instance, 'Why don't women wear suspenders?' 'How far can a cat spit?' and 'What does God eat?'"

REPUBLICANS DONE DRY. In joint caucus the entire Republican membership of both branches of the Kentucky legislature voted to support the State-wide prohibition amendment and to ratify the federal amendment for national prohibition. If the representatives in the legislature fully represent the sentiment of the party there is no doubt that the Republican party in Kentucky is as dry as the Sahara desert.

Children Cry FOR FLETCHER'S CASTORIA PUTS OVER A JOKE ON THE GOVERNMENT

Washington, Jan. 9.—Secretary McAdoo yesterday received an anonymous letter containing \$108 in bills. "I am deeply repentant," wrote the sender, "for having defrauded the Government out of this sum and now return it."

The money was sent to the Treasury cashier for deposit in the conscience fund. To-day it was discovered the bills were counterfeit.

Now Chief Moran, of the secret service, is looking for the man with a counterfeit conscience.

Profit-Sharing Sale

BEGINS JANUARY 18th — CLOSES FEBRUARY 2nd

To Share in the Profits You Must Pay Cash or Produce Checks for Your Purchases.
Merchandise Charged Will be at Regular Prices.

The Worst Is Yet to Come — Every season since the great World War began we have been talking of further advances, and advising immediate buying in order to save paying more for the things you need. You eagerly took advantage of the merchandise at the price and you saved at least 25 per cent on an average. Another 25 per cent advance is staring us in the face. This sale will be your last opportunity to buy at present prices. Week following this sale will be inventory, and immediately after inventory new merchandise will go in stock at the advanced prices.

Merchandise being manufactured now is on the basis of 30c cotton and 65c to 85c wool, owing to the grade. So it takes but very little figuring to ascertain that merchandise must necessarily reach three times its normal price before the war began before another season has gone.

What an opportunity you have in buying real up-to-the-minute merchandise at this season's prices.

FURTHERMORE, Every department has been ransacked for every short length, odd lot, soiled merchandise which will be on tables to be slaughtered for your benefit.

Besides this clean-up collection of merchandise from our regular stock, we have assembled thousands of yards of loom-end PERCALs, GINGHAMS, SHIRTINGS, SUITINGS, WHITE GOODS, SILKS, EMBROIDERIES, CRASHES, CRETONS and TABLE LINENS, which will be at your disposal at less than the manufacturers' cost to us today. Twenty-five per cent saving on 18c and 20c is much more than 25 per cent on 10c, 12½c, and 15c, so you can readily see that your saving is in proportion to your investment — the more you invest the more you save.

As you are fully aware, we make no statements in our ads. that we don't know the conditions are going to verify. But this money-saving event is your bonus for your loyal support and liberal patronage during the past season, and for all the good that has come to us through you we are profoundly thankful, and this sale is a slight token of our appreciation of your co-operation and support.

Remember the Date Don't forget to consider wisely the opportunity you have to save money by buying now anything you may need for a year ahead. Be on hand the first day and see the merchandise and the price in comparison. Look at the conditions just ahead squarely in the face. If you can't make more money on your investment than you can any other way, DON'T BUY.

CAPTIV. S.

FRENCH CAPTURE

AUSTRIANS UTTERLY ROUTED
ALSO MANY DEAD AT
MONTE TOMBA.

Italian Headquarters in Northern Italy.—The French in their recent successful operation on Monte Tomba captured more prisoners than they had men engaged according to a veteran officer who witnessed the fight. From the top of a nearby hill he saw the French attack and afterward saw the prisoners, guns, and booty brought in.

"It was a record making fight in many respects," he declared. "Just think, the French took more prisoners than they had men engaged, which is among the records in military annals. They also captured their first Austrian prisoners."

"In addition to the 1,400 prisoners we counted 560 dead on the ground, and no one knows how many more were in the covers and underbrush. The perfect French military system enabled them to accomplish this with insignificant loss—less than fifty men."

"The Fifth Austrian division, which was the one attacked, is considered a good fighting organization. But the Austrians were accustomed to fighting Russians and Rumanians, and this was the first time they had met the highly trained French troops. The result was that rawness and poor discipline were swept away before discipline and training."

"When the prisoners were brought in I never saw a more miserable pitiful, starved lot of soldiers. They looked like the riff raff from the slums of some big city. Even the officers appeared underfed and under-clothed."

"There were forty-two Austrian and two German officers. The Austrian officers openly declared their hatred of the Germans."

"Some French troops advanced far beyond the objective sought and were ordered to retire."

GOLD EXPORTS SINCE U. S. ENTERED THE WAR

Washington, Jan. 3.—Since the United States entered the war, net exports of gold have been \$78,000,000, or at a weekly rate of \$2,168,000, the federal reserve board announced today. Recently the outward movement has been curtailed, however, to a weekly average of \$856,000. Imports now come mainly from Mexico, Canada and South America, while exports are to Chile and Mexico.

Exports of silver have been heavy, indicating that it has been substituted in many cases for gold in liquidation of international balances. Conclusion of an agreement by which the government will control the silver market at a price near \$1 is expected soon.

UNCLE SAM FINDS REAL NAME OF ENLISTED MAN

Dallas, Tex., Jan. 3.—The desire to serve his country and wide publication of a dispatch from Dallas two weeks ago that he did not know his name or place of birth, have led to the location and identity of the mother of "John" Puddy, according to Capt. Walter Hall, in charge of the naval recruiting station here. The mother is Mrs. Jack Puddy, of Dallas, Texas.

Two weeks ago, Puddy applied for enlistment in the navy. He passed a perfect examination, but said the only name he knew was "Puddy" and that he did not remember his parents or place of birth.

Capt. Hall heard Puddy's story and christened him "John Puddy, Fort Worth, Texas, aged 18." Puddy was then accepted for service.

Publication of the story, Capt. Hall said, brought letters to him from parents in many states, seeking lost sons. One letter from Mrs. Jack

Hall, Dallas, Tex., interested him. The language of letters with Mrs. Puddy definitely established the relationship between the Dallas woman and the naval recruit.

John has been given a full-length portrait and a discharge from the navy.

CALLED HER FAMILY TO HER BEDSIDE

Six Years Ago, Thinking She Might Die, Says Texas Lady, But Now She Is a Well, Strong Woman and Praises Cardui For Her Recovery.

Royce City, Tex.—Mrs. Mary Kilman, of this place, says: "After the birth of my little girl... my side commenced to hurt me. I had to go back to bed. We called the doctor. He treated me... but I got no better. I got worse and worse until the misery was unbearable... I was in bed for three months and suffered such agony that I was just drawn up in a knot... I told my husband if he would get me a bottle of Cardui I would try it... I commenced taking it, however, that evening I called my family about me... for I knew I could not last many days unless I had a change for

the better. That was six years ago and I am still here and am a well, strong woman, and I owe my life to Cardui. I had only taken half the bottle when I began to feel better. The misery in my side got less... I continued right on taking the Cardui until I had taken three bottles and I did not need any more for I was well and never felt better in my life... I have never had any trouble from that day to this."

Do you suffer from headache, backache, pains in sides, or other discomforts, each month? Or do you feel weak, nervous and fagged-out? If so, give Cardui, the woman's tonic, a trial.
